Chili Corn Casserole

Debbie Crosby

This month's recipe is a good one-dish meal for those cold evenings when you just want to stay in and eat a comfort food. This is a great meal when served with a salad and rolls.

Chili Corn Casserole

- 1 pkg. no yolk dumplings
- 2 c. frozen corn
- 1 can cream of mushroom soup
- 1 onion
- 2 T. butter
- 2 T. olive oil or veg. oil
- 6-8 cups chili
- 2 c. Velveeta cheese
- 1 c. mild cheddar cheese
- 1/2 c. jalapenos (chopped)

Cook dumpling noodles per pkg. instructions. Set aside. Sauté onion in butter and oil until onions are translucent. Add corn, soup, chili, and cheese. Pour into a 9X13 baking dish. Cover with cheddar cheese. Bake for 30 minutes. Remove and serve.

Enjoy!
