The June business meeting will be held after the hunt so there will not be a meeting at the church on the second Tuesday of June. There will be a "Finds of the Month" contest during the June meeting at the hunt field so be sure and bring your finds on June 6th.

Tom Moss will be supplying the hamburger meat and hot dogs. Club members should bring other food items such as desserts, condiments, paper plates and such.

It has been awhile since the club has held a hunt at the St. Clair's and we need to do a little work on the grounds beforehand. Plan to be there early, before 9:00 and bring a shovel, rake, or hoe and let's all chip in to make this club hunt one of the best in a long time!

Editor's Note:

Due to my work schedule having me out of town for two weeks prior to the May meeting I was not able to publish a May newsletter or attend the meeting. Hopefully this will be the exception rather than the rule in the months to come and I will continue to have the time to put together a newsletter for the club. Thanks to Suzanne Reed for the pictures she took during the auction!

One thing that would certainly help me would be for club members to contribute items for the newsletters, rather than relying on me to come up with something each month. Just a few lines about a hunt you have been on and what you found (and a picture or two) would be great.

You can e-mail submissions to me at keith@keithballow.com

Thanks,

Keith Ballow

You just never know that might show up at one of the club fund-raiser auctions. How about this hot pink tool belt?
